

MOBILE PHONES – STUDENT USE

PURPOSE

To explain to our school community the Department's and Box Hill High School's policy requirements and expectations relating to students using mobile phones [and other personal mobile devices] during school hours.

SCOPE

This policy applies to:

1. All students at Box Hill High School and,
2. Students' personal mobile phones [and other personal mobile devices] brought onto school premises during school hours, including recess and lunchtime.

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. [NOTE: For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches.]

POLICY

Box Hill High School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Box Hill High School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored in their lockers during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.
- If students need to urgently contact their parents and carers, they should go to the relevant coordinators office for assistance to access a school phone.

Personal mobile phone use

In accordance with the Department's [Mobile Phones Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Box Hill High School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at Box Hill High School are considered valuable items and are brought to school at the owner’s (student’s or parent/carer’s) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so.

Please note that Box Hill High School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the [Box Hill High School’s Personal Property Policy AND/OR the Department’s [Personal Goods policy.](#)]

Where students bring a mobile phone to school, Box Hill High School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Box Hill High School students are required to store their phones in their lockers secured by a school approved lock.

Enforcement

Students who use their personal mobile phones inappropriately at Box Hill High School may be issued with consequences consistent with our school’s existing student engagement polices, *e.g. Student Wellbeing and Engagement* and/or *Code of Conduct* or *Bullying* policies.
