

BOX HILL HIGH SCHOOL

PARENT CONTRIBUTIONS YEAR 7 2022

Dear Parent/Guardian,

We are looking forward to another great year of teaching and learning and would like to advise you of Box Hill High School's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary.

However, whilst the contributions are voluntary, the ongoing financial support of all our families ensures that Box Hill High School can offer the best quality of educational programs to all our students. We want to thank you in advance for your support, as this will make a huge difference to the program's we can offer in 2022.

Within our school in previous years, parent contributions have allowed us to:

- Purchase high quality curriculum materials for students to use in all subjects and electives
- Provide special curriculum experiences for our students across all year levels
- New upgrade to the science prep room
- Enhanced library resources
- Faster Wi-Fi and internet
- Upgrade or replace AV equipment in classrooms
- Install air-conditioners to some classrooms

Please find below Box Hill High Schools voluntary financial contributions schedule for 2022, which includes an overview of what your funds will be used towards.

Department of Education guidelines now mandate that schools are UNABLE to provide parents with a statement of fees. With this in mind, parents are asked to please review the recommended voluntary financial contributions schedule below for an indication of contributions for your child/ren.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Losh Pillay
Principal
