GAPP Testing for Students of Year 7 in 2021 – New Online Testing in October

Dear Parents,

Thank you for your patience with postponements for GAPP Testing at Box Hill High School (BHHS), amid changing Pandemic conditions this year. Due to changing Covid-19 restrictions and rules associated with gatherings, we have made the decision to conduct GAPP Testing online during October, to ensure safety and avoid further postponement or cancellation. We are still very keen to have you apply for our 2021 Year 7 GAPP class.

As advised by email earlier this week to those who had either purchased tickets or previously expressed interest in registering your student/s for GAPP Testing, all payments will be refunded.

As our new testing process will be run with a different supplier and the cost is less, we're asking you to register directly with our new supplier (Edutest). You will be asked to create an account and add your child. You will also be provided with a Declaration of Authenticity document which must be signed by the parent/carer and returned to Edutest on completion of the testing.

Date/time of test: Saturday 10th October, 10am – 12:15pm

Closing date for registration: Friday 2nd October

Cost: \$82.50

Please only register for our GAPP Testing if your child has already been offered a Year 7 place at Box Hill High School for 2021, as our [GAPP Program](#) is only for enrolled students within our neighbourhood zone. We are not able to consider additional enrolments based on test results if you do not reside within our neighbourhood zone.

Please forward a copy of your child's Grade 5 NAPLAN results to Box Hill High School via email: box.hill.hs@education.vic.gov.au or via mail to: 1180 Whitehorse Road, Box Hill VIC 3128, **by Friday 2nd October**. Please label this clearly with your child's full name and the name of your child's primary school.
