

Digital technology at Box Hill High School

Information for parents

Our commitment to the responsible use of digital technology

At Box Hill High School, we are committed to building a culture of respect and responsibility. We show this in the way we use technology and interact online. We teach our students about responsible digital behaviours, including how to recognise and respond to online dangers and threats. We support students to develop the digital skills they need to make a positive impact in the world. We are intentional and discerning about our integration of digital tools into the curriculum, providing rich, interactive and personalised experiences, while ensuring a balance with offline learning opportunities.

What we do

	<p>We set clear expectations</p> <ul style="list-style-type: none">• We have clear expectations about appropriate conduct using digital technologies.• Our Mobile Phone Policy outlines our school's expectations relating to students using mobile phones during school hours.• We have clear and appropriate consequences when students breach these expectations, in line with our Student Wellbeing and Engagement Policy.
	<p>We teach appropriate conduct</p> <ul style="list-style-type: none">• We teach our students to be safe, intentional and responsible users of digital technologies, including age-appropriate instruction on important digital issues such as cybersafety and cyberbullying. This includes instruction provided through the RESPECT program in Years 7 – 9 and cybersafety focused incursions.
	<p>We partner with families</p> <ul style="list-style-type: none">• We work with parents and carers to understand the digital technology-related issues they are facing at home. We support them with information and tools that help.
	<p>We provide access to technology</p> <ul style="list-style-type: none">• We provide access to educational software for students to use. This includes Microsoft Office 365, Adobe Creative Cloud, MathSpace, Stile, Edrolo, Shapr, Fusion 360, and ACER online assessments.• We create student email accounts which are non-identifiable.
	<p>We supervise digital learning</p> <ul style="list-style-type: none">• We supervise students using digital technologies in the classroom, consistent with our duty of care.• We use clear protocols and procedures to protect students working in online spaces
	<p>We take appropriate steps to protect students</p> <ul style="list-style-type: none">• We provide a filtered internet service to block inappropriate content. Full protection from inappropriate content cannot be guaranteed, however, we have processes to report and act on inappropriate content.• We may access and monitor messages and files sent or saved our network, if necessary and appropriate.
	<p>We appropriately manage and respond to online incidents</p> <ul style="list-style-type: none">• We work to prevent, respond, and learn from issues or incidents relating to the use of digital technology, including cybersecurity incidents, cyberbullying and risks to child safety.• We refer suspected illegal online acts to the police.

How parents and carers can help

Learning about technology and its impacts doesn't stop at the school gate. Below are our suggestions for ways you can support your children to responsibly use digital technology.

	<p>Establish clear routines</p> <ul style="list-style-type: none">• Talk to your child about expectations including when, where, and how digital devices can be used at home, ensuring these rules are age-appropriate and consistent. These can include:<ul style="list-style-type: none">○ Requiring devices to be used in a common area, such as a living room or study area.○ Setting up a specific area for charging devices overnight, away from bedrooms, to promote better sleep hygiene.
	<p>Restrict inappropriate content</p> <ul style="list-style-type: none">• Use built-in parental controls on devices and apps to help manage their device access and restrict inappropriate content.• Consider restricting the use of apps with addictive game mechanics (e.g. rewards, badges, limited exit options).
	<p>Talk about online safety</p> <ul style="list-style-type: none">• Talk with your child about the importance of protecting personal information, recognising online scams, and understanding and adjusting privacy settings on social media.• Talk with your child about age restrictions on social media and explore other ways they can connect with their friends online and offline.• Encourage your child to talk to you or another trusted adult if they feel unsafe online.
	<p>Model responsible and balanced technology use</p> <ul style="list-style-type: none">• Encourage a healthy balance between screen time and offline activities, especially outdoor unstructured play and time with friends and family, face-to-face.*• Demonstrate responsible and balanced tech use in your own daily routine to set a good example for your child.
	<p>Work with us</p> <ul style="list-style-type: none">• Let your child's teacher know about concerns you have regarding their technology use.• Keep informed about what your child is learning at school, so you can help reinforce positive messages at home.

*Australia's physical activity and sedentary behaviour guidelines include the following recommendations for children between 5-17 years-old regarding sedentary recreational screen time:

- no more than 2 hours of sedentary recreational screen time per day.
- avoiding screen time 1 hour before sleep.
- keeping screens out of the bedroom.

Personal devices at Box Hill High School

Box Hill High School operates a Bring Your Own Device (BYOD) program. Parents/carers are invited to purchase or supply a device for their child to bring to school. We have made special arrangements with LWT who offer discounted prices for the lease or purchase of devices for our students.

Technical specifications for BYOD devices

To ensure smooth and reliable technology access and student support, we have set the following technical specifications for all personal devices. If purchasing or supplying a personal device to use at Box Hill High School, please ensure that it complies with the following specifications:

- The recommended device model is the Lenovo ThinkPad L13 2-in-1 Gen 5
- Students are welcome to bring an alternative device with the following features:

Required device features

- Windows 11 capable device no more than three years old from when it was purchased.
- OSX Capable device no more than three years old from when it was purchased.
- A current series Intel Core i5 or AMD Ryzen 5 processor (or greater). Apple Mac laptops required a minimum M1 chip.
- Ability to connect headphones.

Recommended device features

- Minimum 8 hours of battery life
- Minimum 8Gb of RAM, 256 GB SSD
- Touchscreen
- Stylus
- 13.3" Screen or greater with minimum resolution of 1080p
- It is recommended that parents have insurance for devices

Non-supported devices

- Chromebooks
- Windows ARM devices, including devices running Windows RT
- Tablet devices, including Android or Apple tablets (iPads)
- Linux operating systems

Behavioural Expectations – Personal devices

When bringing a personal device to schools, students must ensure that:

- it is fully charged each morning
- it is carried to school with appropriate care in a carry case and stored in lockable storage when not in use
- any physical device damage is immediately reported and if necessary, repaired
- it is clearly labelled with the student's name and class

Supports and services provided

Box Hill High School will provide the following technical support services for personal devices brought to school:

- Support to access software, including Microsoft 365.
- Connecting devices to the internet
- Providing student log-in credentials to access the schools network, including a school email account
- Warranty support for devices purchased through the school-recommended provider, LWT.
- Students can visit the IT Service Desk, next to Room 119, between the following hours: 8:00am – 8:30am, at recess and lunch times, and from 3:00pm – 3:30pm.

Digital technology at Box Hill High School

Please note that our school does not have insurance to cover accidental damage to students' devices, and parents/carers are encouraged to consider obtaining their own insurance for their child's device.

Students, parents and carers who would like more information or assistance regarding our BYOD program are encouraged to contact the school by email at box.hill.hs@education.vic.gov.au.

Digital technology at Box Hill High School

For students

What we expect

Below are our expectations of students at Box Hill High School when using digital technologies.

Be safe

At Box Hill High School, we protect personal information and keep safe online.

We do this by:

- Not sharing our password or using someone else's username or password.
- Logging out of our devices when they are not in use.
- Restricting the personal information we post online, including images and videos.

Be respectful

At Box Hill High School, we are kind and show respect to others when using technology.

We do this by:

- Acting with kindness and never bullying or impersonating others online.
- Thinking about how our words might make others feel before we say or write them.
- Only taking photos or recordings of others when they are aware and have given us permission to do so.
- Seeking permission before sharing others' information online.
- Never using a generative artificial intelligence (AI) tool to upload or generate images of a student, parent, or teacher.

Be responsible

At Box Hill High School, we are honest, handle technology with care and follow the school rules.

We do this by:

- Handling devices with care and not interfering with school-managed network or security settings, other people's work, or devices we don't own.
- Following the terms and conditions of any digital tool we use.
- Not downloading or using inappropriate programs like games, or programs/networks designed to bypass the school's internet and content restrictions.
- Not using technology to cheat or steal, and always acknowledging when we use information sourced from others or generate content using AI tools.
- Turning off and securely storing our mobile phone during school hours.
- Ensuring a healthy balance between screen time and offline activities at school.

Ask for help

At Box Hill High School, we ask for help if we feel unsure or see something inappropriate.

We do this by talking to a teacher or a trusted adult if:

- We feel uncomfortable or unsafe.
- We see others participating in unsafe, inappropriate, or hurtful online behaviour.
- We notice any damage to school technologies.
- We need help understanding about a digital tool or how it can be used.

Instructions

- Students are encouraged to speak with their parents or teachers prior to signing this agreement if they don't understand what it means, or if they have questions they would like to discuss.
- Complete the agreement, including parent/carer acknowledgement, on Compass Insights within the first two weeks of Term 1.

Student Agreement

I understand and commit to uphold the expectations of me as a student at Box Hill High School when using digital technology.

I will do my best to:

- **be safe** to protect personal information and keep safe online.
- **be respectful** and kind to others when using technology.
- **be responsible** by demonstrating honesty, handling technology with care and following the school rules.
- **ask for help** if I feel unsure or see something inappropriate

Some of the ways that I will do this is by:

- Respecting others and communicating with them in a supportive manner; never writing or participating in online bullying (for example, not forwarding messages and or supporting others in harmful, inappropriate or hurtful online behaviours) 
- Protecting my privacy; not giving out personal details, including my full name, telephone number, address, passwords or images.
- Protecting the privacy of others; never posting or forwarding their personal details or images without consent. 
- Talking to a teacher if I feel uncomfortable or unsafe online, or if I see others participating in unsafe, inappropriate or hurtful online behaviours.
- Carefully considering the content that I upload or post online; this is often viewed as a personal reflection of who I am and can influence what people think of me.
- Investigating the terms and conditions of use for any digital or online tool (e.g. age restrictions, consent requirements). If my understanding is unclear, I will seek further explanation from a trusted adult. Confirming that I meet the stated terms and conditions; completing the required registration processes with factual responses about personal details.
- Handling the ICT device with care and notifying a teacher if it is damaged or requires attention. 
- Abiding by copyright and intellectual property regulations. If necessary, I will request permission to use images, text, audio and video and cite references.
- Not accessing media that falls outside the school's policies.
- Not interfering with the network systems and security, the data of another user or attempting to log into the network with the username or password of another student or teacher.
- Not accessing any unauthorised programs during school hours including games. Mobile Phones are prohibited during school hours and must be kept in a secure locker. Please refer to the BHHS Mobile Phone Policy for more detail. In addition, when I use my personal mobile phone outside school hours, I agree to be a safe, responsible and ethical user at all times. 

Digital technology at Box Hill High School

- Respecting others and communicating with them in a supportive manner; never verbally or in writing participating in bullying (for example, harassing phone calls/text messages, supporting others in harmful, inappropriate or hurtful online behaviours by forwarding messages).

I will continue to learn about how to use digital technology in a safe and responsible way.
