Schools provide students with free instruction to fulfil the standard curriculum requirements, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and provide teaching and learning materials that enhance their education and experience, provide support for our students which allows us to provide an enriched school experience.

We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer and contributed to an outstanding NAPLAN result with 44% of Year 9 students achieved in the Exceeding category, improving on both previous year's Year 9 results and the results of the same cohort in Year 7.

Your support allows us to:

- Provide strong wellbeing supports for students, including a dedicated Student Wellbeing Hub, employing additional counselling and disability and inclusion staff and mentoring programs and life skills programs.
- Employ a full-time qualified school nurse
- Employ a full-time maintenance and facilities manager with the resulting cost savings on external trades
- Investing in our state-of-the-art science labs and art, media, design and technology equipment
- Provide additional in-class printed resources to students
- Maintain a wide selection of library books
- Invest in additional teaching staff to run smaller classes and offer a broad range of elective subjects
- Upgrade our IT network and equipment, including offering high speed internet throughout the school
- Improve student amenities as demonstrated by the recent redevelopment of our Quad to provide a focal point of student interaction during the recess and lunch
- Maintain a high level of student engagement by offering enrichment activities: e.g. an annual school production, concert bands, interschool sport, tech crew program, debating, guest speakers, student clubs and student leadership development opportunities.

Our purpose is to educate the whole child and work in partnership with our parents to prepare all our students for life after school.
